Instructions

Note: When the Presenter Mouse is not in use, please turn it off to prolong battery life.

1. Remove the battery cover of the Presenter Mouse.
2. Remove the USB Wireless Receiver and plug it into an available USB port of your computer.
3. Insert 2 AAA batteries into the Presenter Mouse.
4. Replace the battery cover and choose either Mouse mode or Presenter mode using the Mode Switch Button.
5. The Presenter Mouse is ready for use.

Trouble Shooting

What do I do if the Presenter Mouse doesn’t work properly.

• Make sure the distance from the Presenter Mouse to the USB receiver is within 33 ft.
• Make sure a mode (Mouse or Presenter) is selected using the Mode Switch Button
• Unplug and plug the USB wireless receiver into the USB port of your computer
• If the problem still exists, try the steps 1-4 below to reset the Presenter Mouse
  1. Turn the Presenter Mouse to Mouse mode, and make sure the distance from the USB wireless receiver is within 2-meter.
  2. Press Scrolling wheel and DPI switch button simultaneously for 3 seconds.
  3. The optical sensing light will blink three times, the reset is complete.
  4. The Presenter Mouse is ready for use.

Notice
• Avoid pointing the presenter’s laser beam into a person’s eyes, at a mirror or other highly-reflective surfaces
• DO NOT attempt to disassemble and service the Presenter Mouse
• Keep the Presenter Mouse out of the reach of children
Technical Support and Warranty

QUESTIONS? SIIG’s Online Support has answers! Simply visit our web site at www.siig.com and click Support. Our online support database is updated daily with new drivers and solutions. Answers to your questions could be just a few clicks away. You can also submit questions online and a technical support analyst will promptly respond.

SIIG offers a 1-year manufacturer warranty with this product. This warranty covers the original purchaser and guarantees the product to be free of any defects in materials or workmanship for one (1) year from the date of purchase of the product.

SIIG will, at our discretion, repair or replace (with an identical product or product having similar features and functionality) the product if defective in materials or workmanship. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Please see our web site for more warranty details.

If you encounter any problems with this product, please follow the procedures below.

A) If it is within the store’s return policy period, please return the product to the store where you purchased from.

B) If your purchase has passed the store’s return policy period, please follow the steps below to have the product repaired or replaced.

   Step 1: Submit your RMA request.
   Go to www.siig.com, click Support, then RMA to submit a request to SIIG RMA or fax a request to 510-657-5962. Your RMA request will be processed, if the product is determined to be defective, an RMA number will be issued.

   Step 2: After obtaining an RMA number, ship the product.
   • Properly pack the product for shipping. All accessories that came with the original package must be included.
   • Clearly write your RMA number on the top of the returned package. SIIG will refuse to accept any shipping package, and will not be responsible for a product returned without an RMA number posted on the outside of the shipping carton.
   • You are responsible for the cost of shipping to SIIG. Ship the product to the following address:
     SIIG, Inc.
     6078 Stewart Avenue
     Fremont, CA 94538-3152, USA
     RMA #: 
   • SIIG will ship the repaired or replaced product via Ground in the U.S. and International Economy outside of the U.S. at no cost to the customer.
About SIIG, Inc.

Founded in 1985, SIIG, Inc. is a leading manufacturer of IT connectivity solutions (including Serial ATA and Ultra ATA Controllers, FireWire, USB, and legacy I/O adapters) that bridge the connection between Desktop/Notebook systems and external peripherals. SIIG continues to grow by adding A/V and Digital Signage connectivity solutions to our extensive portfolio.

SIIG products offer comprehensive user manuals, many user-friendly features, and are backed by an extensive manufacturer warranty. High quality control standards are evident by the overall ease of installation and compatibility of our products, as well as one of the lowest defective return rates in the industry. SIIG products can be found in computer retail stores, mail order catalogs, through major distributors, system integrators, and VARs in the Americas and the UK, and through e-commerce sites.
