

DisplayPort 1.2 (MST) to Dual HDMI Splitter Installation Guide

Introduction

The *DisplayPort 1.2 (MST) to Dual HDMI Splitter* distributes one DisplayPort source to two HDMI displays with Multiple Stream Transport and video wall function.

Key Features and Benefits

- Supports video resolutions up to 3840x2160 single display mode and 3840x1200 with two displays in extended mode
- Compatible with the latest DisplayPort 1.2 graphics cards or video sources such as AMD Eyefinity Technology
- Supports extended, mirror and video wall display modes

Package Contents

- *DisplayPort 1.2 (MST) to Dual HDMI Splitter*
- Power adapter
- Housing rubber pad (x4)
- Installation guide

Layout

- **DC 5V:** Power adapter jack for the included 5V power adapter
- **DP IN:** Connects to your DisplayPort source
- **Power LED:** On when power adapter is connected

Figure 2: Front Panel Layout

- **HDMI (1-2):** Connects to your HDMI displays

Hardware Installation

1. Power off all devices you plan to connect to this splitter.
2. Connect your source's DisplayPort out to the splitter's **DP** input using a DisplayPort cable (DisplayPort cable not included).
3. Connect your monitors to the splitter's **HDMI** output with HDMI cables (HDMI cables not included).
4. Connect the included power adapter to the splitter's power jack and plug it into a reliable power outlet.
5. Power on all of the connected devices.
6. The splitter is ready for use.

Application

The *DisplayPort 1.2 (MST) to Dual HDMI Splitter* supports either 2 HDMI displays or 4 HDMI displays simultaneously (2 splitters + 2 DisplayPort outputs are required for 4 HDMI displays). However, mirror mode and extended mode are supported by 2 HDMI displays only.

2 HDMI Displays

* Mirror Mode

For education, meetings, or presentations

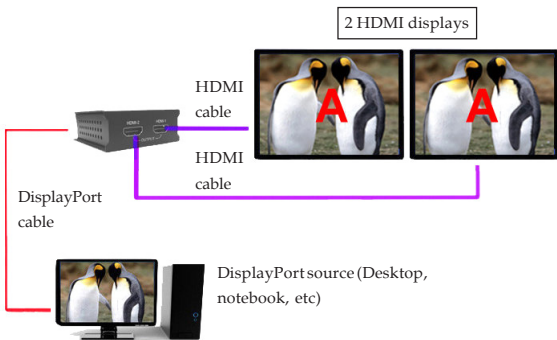

Figure 3

* Extended Mode (Multi-Stream Transport)

For business or entertainment

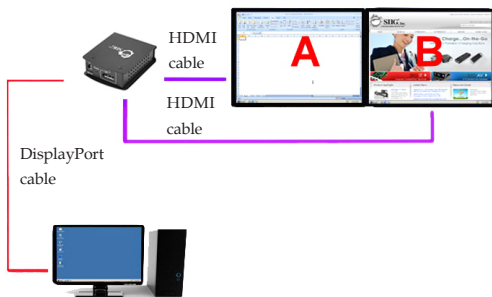

Figure 4

* SLS Video Wall Mode - 1x2 (Eyefinity Technical)

For art designer or panoramic view

Supported Video Resolutions

Refer to Table 1 for supported resolution under different video modes (2 HDMI displays, or 4 HDMI displays via two *DisplayPort 1.2 to Dual HDMI* splitters):

Supported Video Resolutions (TV Wall)			
Two Monitors		Four Monitors (2x2)	
Computer Setting	Each Monitor	Computer Setting	Each Monitor
3840 x 1200	1920 x 1200	3840 x 2160	1920 x 1080
2560 x 1024	1280 x 1024	2560 x 2048	1280 x 1024
2048 x 768	1024 x 768	2048 x 1536	1024 x 768
3360 x 1050	1680 x 1050	3360 x 2100*	1680 x 1050
2880 x 900	1440 x 900	2880 x 1800*	1440 x 900
1600 x 600	800 x 600	1600 x 1200*	800 x 600
1280 x 480	640 x 480	1280 x 960*	640 x 480
2800 x 1050	1400 x 1050	2800 x 2100*	1400 x 1050

Table 1

***Note:** The timing is listed in EDID extension block. Some old display drivers may not support video wall feature.

The actual output resolution is determined by the EDID of each display. We suggest that you use the same brand and model HDMI displays for the best video output.

Technical Support and Warranty

QUESTIONS? SIIG's **Online Support** has answers! Simply visit our web site at www.siig.com and click **Support**. Our online support database is updated daily with new drivers and solutions. Answers to your questions could be just a few clicks away. You can also submit questions online and a technical support analyst will promptly respond.

SIIG offers a 2-year manufacturer warranty with this product. This warranty covers the original purchaser and guarantees the product to be free of any defects in materials or workmanship for two (2) years from the date of purchase of the product.

SIIG will, at our discretion, repair or replace (with an identical product or product having similar features and functionality) the product if defective in materials or workmanship. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Please see our web site for more warranty details.

If you encounter any problems with this product, please follow the procedures below.

A) If it is within the store's return policy period, please return the product to the store where you purchased from.

B) If your purchase has passed the store's return policy period, please follow the steps below to have the product repaired or replaced.

Step 1: Submit your RMA request.

Go to www.siig.com, click **Support**, then **REQUEST A PRODUCT REPLACEMENT** to submit a request to [SIIG RMA](#) or fax a request to 510-657-5962. Your RMA request will be processed, if the product is determined to be defective, an RMA number will be issued.

Step 2: After obtaining an RMA number, ship the product.

- Properly pack the product for shipping. All accessories that came with the original package must be included.
- Clearly write your RMA number on the top of the returned package. SIIG will refuse to accept any shipping package, and will not be responsible for a product returned without an RMA number posted on the outside of the shipping carton.
- You are responsible for the cost of shipping to SIIG. Ship the product to the following address:

SIIG, Inc.
6078 Stewart Avenue
Fremont, CA 94538-3152, USA

RMA #: _____

- SIIG will ship the repaired or replaced product via Ground in the U.S. and International Economy outside of the U.S. at no cost to the customer.

About SIIG, Inc.

Founded in 1985, SIIG, Inc. is a leading manufacturer of IT connectivity solutions (including Serial ATA and Ultra ATA Controllers, FireWire, USB, and legacy I/O adapters) that bridge the connection between Desktop/ Notebook systems and external peripherals. SIIG continues to grow by adding A/V and Digital Signage connectivity solutions to our extensive portfolio.

SIIG products offer comprehensive user manuals, many user-friendly features, and are backed by an extensive manufacturer warranty. High quality control standards are evident by the overall ease of installation and compatibility of our products, as well as one of the lowest defective return rates in the industry. SIIG products can be found in computer retail stores, mail order catalogs, through major distributors, system integrators, and VARs in the Americas and the UK, and through e-commerce sites.
