SIIG 40th YEARS ANNIVERSARY

Power
(Industrial Charging Station)

Built for heavy-duty and enterprise use, these solutions offer high-capacity charging, intelligent power management, and robust safety protections. With durable metal housing and efficient thermal management, they ensure reliable performance in demanding environments.

ID-US0C11-S1

16-Port Industrial USB-C PD Charging Station

- **High-Power Charging** – Supports 16 USB-C devices with 1000W total power.
- **Smart Power Management** – PD 2.0 & 3.0 support, intelligent power allocation, and built-in safety protections.
- **Durable & Efficient** – Industrial-grade metal housing, auto-adjusting cooling fans, and 95% power efficiency.

Industrial Charging Station

16-port Industrial 600W USB-C PD Charging Station with 5Gbps USB Hub

ID-US0B11-S3

- **600W High-Power Charging** – Supports 2x 100W + 14x 30W USB-C ports with safe, UL-certified industrial-grade power.
- **USB-C Hub with 5Gbps Data** – Dual host input, 14-port data transfer up to 5Gbps, with PD 100W back to system.
- **Smart, Rack-Ready Design** – Slide switch for Data/PD mode, auto cooling, full protection, and 19" rack mountable.

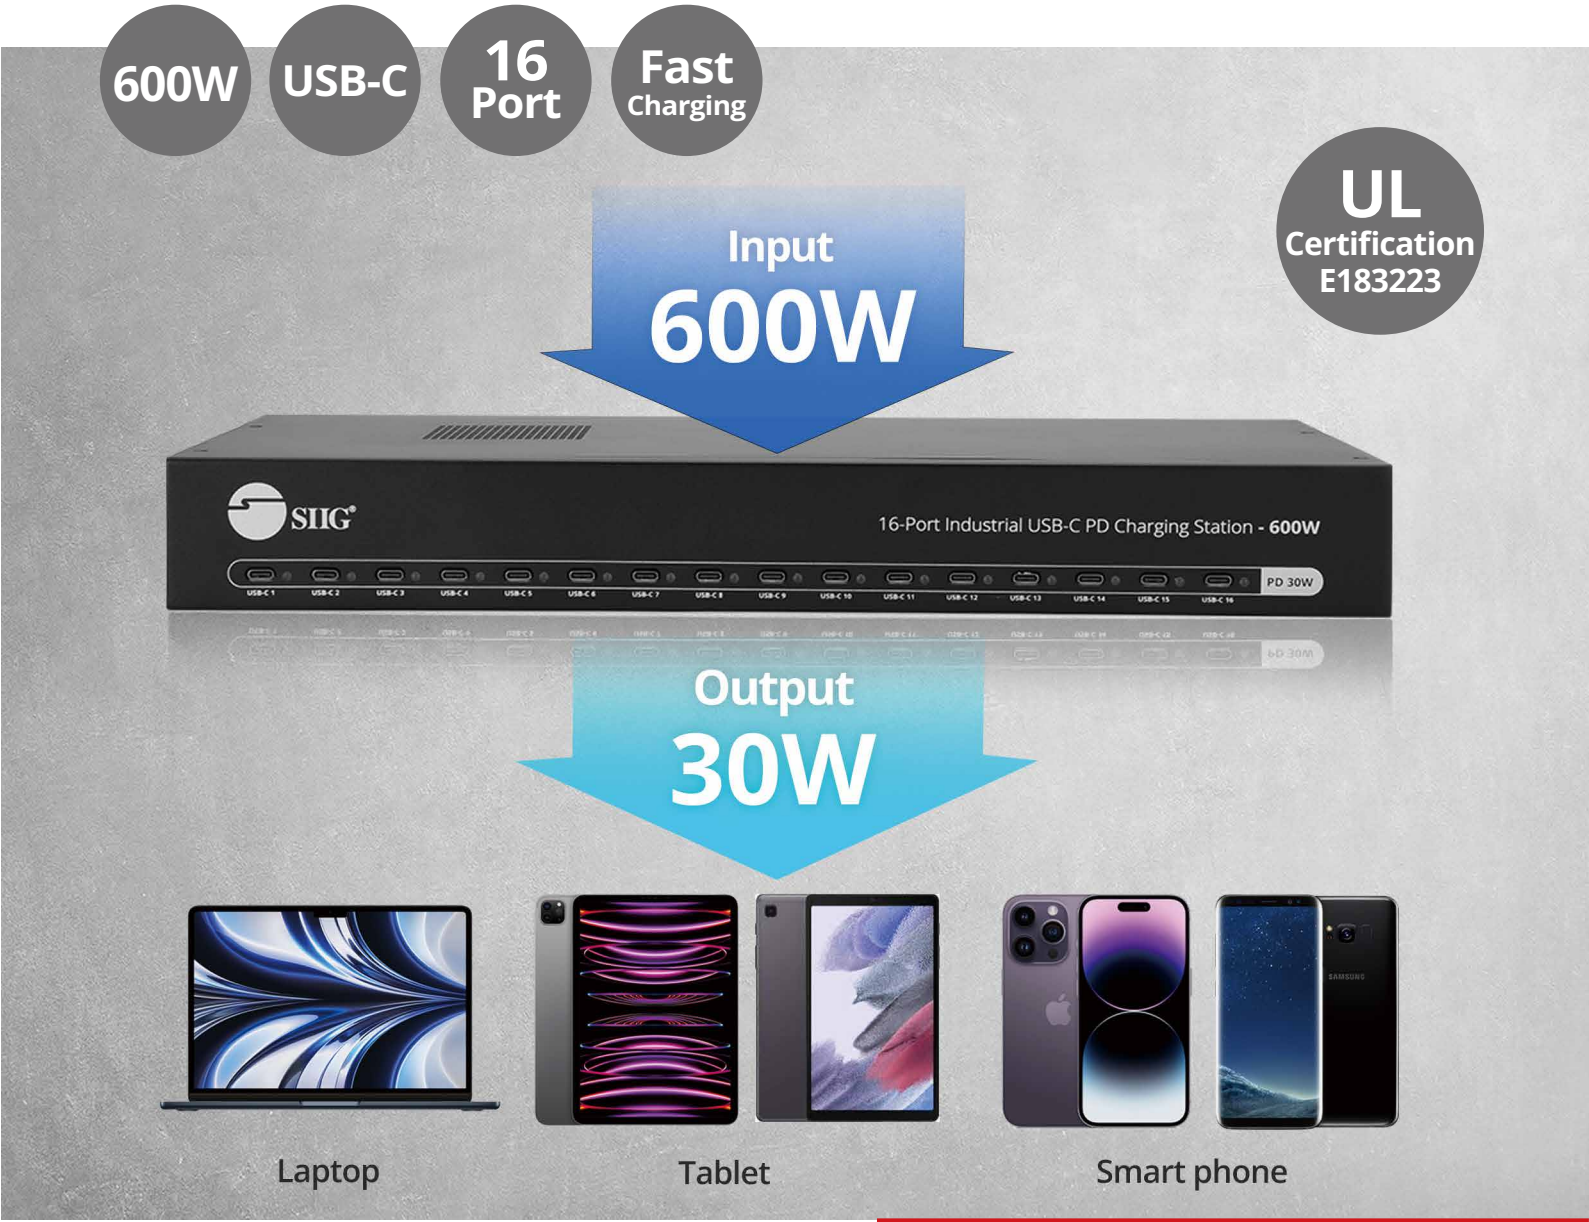
600W | USB-C | 16 Port | Dual 100W | 14-Port 30W

Power
(Industrial Charging Station)

ID-US0A11-S1

16-port Industrial 600W USB-C PD Charging Station with 5Gbps USB Hub

- **600W Industrial Charging** – Charge 16 USB-C devices up to 30W each with built-in UL-certified power.
- **Smart Cooling & Power Control** – Auto fan, LED indicator, and energy-saving power switch.
- **Durable Rack-Mount Design** – Metal housing with full protection—ideal for 19" racks.



Industrial Charging Station

Power
(Industrial Charging Station)

ID-US0811-S1

10-Port Industrial USB A & C 5Gbps Hub & Charging

- **Durable Design** – Rugged, heat-dissipating aluminum design built for harsh environments with wall/DIN rail mounting.
- **High-Speed Connectivity** – Adds 7 USB-A & 2 USB-C ports, supports 5Gbps data transfer, fast charging up to 2.4A, plus 1 dedicated charging port.
- **Power Protection** – 19V/3.42A power adapter, redundant power input, surge (600W/port) & over-current protection ensure reliable performance.

65W | USB A/C | USB 5Gbps | Data Sync | Fast Charging

Industrial Charging Station

200W 20-Port Industrial USB 3.0 Hub with Charging

ID-US0611-S1

- **20-Port USB 3.0 Hub** – Supports syncing and charging for up to 20 devices, including tablets, smartphones, and peripherals.
- **Fast Data & Charging** – Provides 5Gbps data transfer and 5V/2.1A fast charging per port, with backward compatibility for USB 2.0 and USB 1.1.
- **Industrial-Grade Build** – Features a UL-certified 5V/40A Mean Well power adapter, aluminum housing for heat dissipation, and wall-mount support for flexible installation.

200W | USB-A 5Gbps | Data Sync | Fast Charging

Power
(GaN)

Featuring GaN chargers, power chargers, and charging stations, these solutions provide high-speed charging, intelligent power management, and advanced safety features for reliable and efficient power delivery across various applications.

240W GaN PD 3.1 Charger -3C1A

AC-PW1X11-S1

- **240W GaN Charging** – Powers 4 devices with 140W USB-C1, 100W USB-C2/C3, and 30W USB-A.
- **Compact & Universal** – Smaller, cooler, and compatible.

100W GaN PD Combo Charger - 2C1A

- **100W GaN Charging** – Powers 3 devices with 100W USB-C and 30W USB-A.
- **Compact & Travel-Ready** – Smaller, cooler, and globally compatible.

AC-PW1Z11-S1

200W GaN PD Charger with Charging Display - 3C2A

AC-PW1Y11-S1

- **200W GaN Charging** – Powers 5 devices with real-time LCD power display.
- **Compact & Efficient** – Smaller, cooler, and globally compatible.

200W GaN PD Combo Charger - 3C1A

- **200W GaN Fast Charging** – Powers 4 devices with 100W USB-C1/C2, 65W USB-C3, and 60W USB-A.
- **Compact & Universal** – Smaller, cooler, and globally compatible with laptops, phones, and more.

AC-PW1V11-S1

Power

(Charging Station / Power Charger)

Charging Station

150W | 6x USB-A | 4x USB-C | Wireless

150W 10-port USB-A/C & Wireless Charging Station

AC-PW1R11-S1

- **10-Port & Wireless Charging** – Powers 6 USB-A, 4 USB-C, and 1 wireless device simultaneously with 150W total output.
- **Smart Power Delivery** – USB-C supports 18W PD, while USB-A auto-detects devices for optimal 2.4A charging.
- **Safe & Space-Saving** – Built-in safety protections, 8 device slots, and LED status indicator for efficient organization

90W 10-Port USB-A/C & Wireless Charging Station with Ambient Light Deck

Wireless Charging | 1x USB-C | 9x USB-A

AC-PW1H11-S1

- **10 Port Charging** – 9 USB-A (2.4A), 1 USB-C PD (18W), and Qi wireless charging (5W/10W) for fast, efficient power.
- **Organized & Clutter-Free** – 8 built-in slots neatly hold and charge smartphones, tablets, and more.
- **Safe & Durable** – Over-current, over-voltage, and short-circuit protection with a sturdy matte-coated shell for long-term use.

10-Port USB Charging Station with Ambient Light Deck - 90W

AC-PW1314-S1

10x USB-A | Smart IC

- **Charge Up to 10 Devices** – Delivers 2.4A max per port with smart IC technology for fast and efficient charging.
- **Stay Organized & Clutter-Free** – 8 built-in slots hold smartphones and tablets, with a non-slip padded deck for extra devices.
- **Safe & Ambient Design** – 90W power adapter with multiple safety protections and a soft glow LED light with an on/off switch.

Power Charger

AC-PW1G11-S1

60W 10-Port USB Charger

- **Charge 10 Devices Simultaneously** – Delivers up to 2.4A per port, with Smart IC technology for fast and efficient charging.
- **Compact & Travel-Friendly** – Lightweight and portable design fits easily in your bag, perfect for business trips and vacations.
- **Safe & Reliable** – Built-in over-current, over-voltage, and short-circuit protection ensures safe and stable charging for all devices.

60W | 10x USB-A | Smart IC

100W Dual USB-C PD & QC 3.0 Combo Power Charger

AC-PW1P11-S1

- **100W Fast Charging** – Charges up to 4 devices via 2 USB-C (100W max) and 2 USB-A (18W max) ports with a 120W total output.
- **Universal Compatibility** – Supports MacBook Pro, Dell XPS, iPad Pro, iPhone, Samsung, and more.
- **Safe & Certified** – ETL, FCC, CE, and QC 3.0 certified with multi-layer protection against over-load, over-voltage, and short circuits.
