## Safe & Mobile for Education

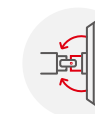

A **23.1 lbs** weighted base with casters keeps it stable yet easy to move between classrooms. Detachable VESA mount and cable management offer quick setup and a neat, professional space.

5 Low profile  
smooth casters

23.1 lbs (10.5 kg)  
Heavy base design

Tilt  
±90°

Rotation  
±90°

## Enhanced Compatibility

Detachable VESA plate with converter, supports up to 200x200mm for larger/heavier monitors.

## Robust Monitor Tilt Assembly

Reinforced design for bigger/wider monitors. Adjustable tilt bolt adds friction for stable viewing angle.

## Mechanical Spring Adjustment

Turn anti-clockwise (+) if monitor droops; clockwise (-) if it floats. Smooth tension control for raising/lowering.

## Cable Management

Clips keep cables neatly routed for a clean look.
