

# HDMI 2x4 Splitter

## Quick Installation Guide

---

### Introduction

---

The *HDMI 4-Port Splitter* broadcasts HDMI signals from any of the two sources to four HDMI displays.

### Key Features and Benefits

- Distributes HDMI signals from any of the 2 inputs to four HDMI displays without losing quality
- HDMI 1.3b compatible & HDCP compliant
- Supports signal rate up to 2.25 Gb/s
- Resolution: up to 1080p @ 12-bit color depth

### Package Contents

- HDMI 2x4 Splitter
- Power adapter
- Quick installation guide

**Figure 1: Front Panel Layout**

- **Input Select:** Press this button repeatedly to cycle through to the desired HDMI source (The devices need to be powered on to get detected)
- **Power LED:** This LED will be lit when the HDMI splitter is powered on
- **Active Input LED:** This LED indicates which HDMI source is active
- **HDMI Out LED:** This LED will be lit when an HDMI display is properly detected by the corresponding HDMI Output Port (The display(s) need to be powered on to get detected)

Figure 2: Rear Panel Layout

- **Power Switch:** Powers on/off the HDMI splitter
- **Power Jack:** Connects to the included power adapter
- **HDMI Input Ports:** Connect the HDMI source devices here. When an HDMI source is selected, the **appropriate Active Input LED** (located on the front panel) will be lit
- **HDMI Output Ports:** Connect up to 4 HDMI displays to these ports

## Hardware Installation

---

1. Connect the HDMI sources to the splitter's **HDMI Input** ports using an HDMI cable (not included).
2. Connect your HDMI displays to the splitter's **HDMI Output** ports using HDMI cables (not included).
3. Plug the power adapter into the splitter's **Power Jack**.
4. Plug the power adapter into a reliable power outlet.
5. Power on the *HDMI 2x4 Splitter*, and ensure that the **Power LED** is lit.
6. Power on all Audio/Video units connected to the splitter. Ensure that all LEDs are properly lit.
7. The *HDMI 2x4 Splitter* is ready for use.

# Technical Support and Warranty

---

**QUESTIONS?** SIIG's **Online Support** has answers! Simply visit our web site at [www.siig.com](http://www.siig.com) and click **Support**. Our online support database is updated daily with new drivers and solutions. Answers to your questions could be just a few clicks away. You can also submit questions online and a technical support analyst will promptly respond.

SIIG offers a 3-year manufacturer warranty with this product. This warranty covers the original purchaser and guarantees the product to be free of any defects in materials or workmanship for three (3) years from the date of purchase of the product.

SIIG will, at our discretion, repair or replace (with an identical product or product having similar features and functionality) the product if defective in materials or workmanship. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Please see our web site for more warranty details.

If you encounter any problems with this product, please follow the procedures below.

- A) If it is within the store's return policy period, please return the product to the store where you purchased from.
- B) If your purchase has passed the store's return policy period, please follow the steps below to have the product repaired or replaced.

**Step 1:** Submit your RMA request.

Go to [www.siig.com](http://www.siig.com), click **Support**, then **RMA** to submit a request to [SIIG RMA](#) or fax a request to 510-657-5962. Your RMA request will be processed, if the product is determined to be defective, an RMA number will be issued.

**Step 2:** After obtaining an RMA number, ship the product.

- Properly pack the product for shipping. All accessories that came with the original package must be included.
- Clearly write your RMA number on the top of the returned package. SIIG will refuse to accept any shipping package, and will not be responsible for a product returned without an RMA number posted on the outside of the shipping carton.
- You are responsible for the cost of shipping to SIIG. Ship the product to the following address:

**SIIG, Inc.**  
**6078 Stewart Avenue**  
**Fremont, CA 94538-3152, USA**  
**RMA #:** \_\_\_\_\_

- SIIG will ship the repaired or replaced product via Ground in the U.S. and International Economy outside of the U.S. at no cost to the customer.

# About SIIG, Inc.

---

Founded in 1985, SIIG, Inc. is a leading manufacturer of IT connectivity solutions (including Serial ATA and Ultra ATA Controllers, FireWire, USB, and legacy I/O adapters) that bridge the connection between Desktop/Notebook systems and external peripherals. SIIG continues to grow by adding A/V and Digital Signage connectivity solutions to our extensive portfolio.

SIIG products offer comprehensive user manuals, many user-friendly features, and are backed by an extensive manufacturer warranty. High quality control standards are evident by the overall ease of installation and compatibility of our products, as well as one of the lowest defective return rates in the industry. SIIG products can be found in computer retail stores, mail order catalogs, through major distributors, system integrators, and VARs in the Americas and the UK, and through e-commerce sites.
