

# **USB to Printer Adapter Quick Installation Guide**

### Introduction

The *USB to Printer adapter* is designed to instantly add an additional parallel printer port to your computer via an available USB 1.1 or USB 2.0 port.

#### Features and Benefits

- Compliant with USB Rev 1.1
- Connector: Centronics 36-pin male
- Works with most printers with a Centronics 36-pin female connector

## System Requirements

- Pentium II or equivalent PC, an available USB port
- Windows 7 (32-/64-bit) / Vista (32-/64-bit) / XP (32-/64-bit) / Server 2003 & 2008 (32-/64-bit) / 2000

## **Package Contents**

- *USB to Printer* adapter
- Quick installation guide

#### Serial Number Sticker

For future product return or exchange, this serial number is required. Please keep it for your reference.

04-0471C

## Layout

#### Installation

#### Windows 7 / Vista / XP / Server 2003 & 2008 / 2000

Windows 7, Vista, XP, Server 2003, 2008, and 2000 will automatically detect and install the correct driver for the *USB to Printer*. No driver installation is needed.

## **Verify Windows Installation**

- Check Device Manager to verify driver installation.
  <u>Windows 7 / XP / Server 2003 / 2000</u>: Right click
  <u>Computer or My Computer</u>, click Manage.
  <u>Windows Vista</u>: Right click Computer, click
  <u>Manage</u>, click Continue.
  - Windows Server 2008: Right click **Computer**, click **Manage**, double click **Diagnostics**.
- 2. Click **Device Manager**. Double click **Universal Serial Bus controller**, **USB Printing Support** should be displayed.

## **Printer Settings**

When installing a printer, ensure that the correct printer port is selected. When choosing the printer port make sure **USB001-Virtual printer port for USB** is selected.

# **Technical Support and Warranty**

**QUESTIONS?** SIIG's **Online Support** has answers! Simply visit our web site at *www.siig.com* and click **Support**. Our online support database is updated daily with new drivers and solutions. Answers to your questions could be just a few clicks away. You can also submit questions online and a technical support analyst will promptly respond.

SIIG offers a 5-year manufacturer warranty with this product. This warranty covers the original purchaser and guarantees the product to be free of any defects in materials or workmanship for five (5) years from the date of purchase of the product.

SIIG will, at our discretion, repair or replace (with an identical product or product having similar features and functionality) the product if defective in materials or workmanship. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Please see our web site for more warranty details.

If you encounter any problems with this product, please follow the procedures below.

- A) If it is within the store's return policy period, please return the product to the store where you purchased it.
- B) If your purchase has passed the store's return policy period, please follow these steps to have the product repaired or replaced.

**Step 1:** Submit your RMA request. Go to **www.siig.com**, click **Support**, then **Request A Product Replacement** to submit a request to <u>SIIG RMA</u> or fax a request to 510-657-5962. Your RMA request will be processed, if the product is determined to be defective, an RMA number will be issued.

Step 2: After obtaining an RMA number, ship the product.

- Properly pack the product for shipping. All software, cable(s) and any other accessories that came with the original package must be included.
- Clearly write your RMA number on the top of the returned package. SIIG will refuse to accept any shipping package, and will not be responsible for a product returned without an RMA number posted on the outside of the shipping carton.
- You are responsible for the cost of shipping to SIIG. Ship the product to the following address:

SIIG, Inc.	
6078 Stewart Avenue	
Fremont, CA 94538-3152, USA	
RMA #:	

 SIIG will ship the repaired or replaced product via Ground in the U.S. and International Economy outside of the U.S. at no cost to the customer.

## About SIIG, Inc.

Founded in 1985, SIIG, Inc. is a leading manufacturer of IT connectivity solutions (including Serial ATA and Ultra ATA Controllers, FireWire, USB, and legacy I/O adapters) that bridge the connection between Desktop/Notebook systems and external peripherals. SIIG continues to grow by adding A/V and Digital Signage connectivity solutions to our extensive portfolio. All centered around the distribution and switching of A/V signals over CAT5/6, these products include matrix switches, distribution amplifiers, extenders, converters, splitters, cabling, and more.

SIIG is the premier one-stop source of upgrades and is committed to providing high quality products while keeping economical and competitive prices. High-quality control standards are evident by one of the lowest defective return rates in the industry. Our products offer comprehensive user manuals, user-friendly features, and most products are backed by a lifetime warranty.

SIIG products can be found in many computer retail stores, mail order catalogs, and e-commerce sites in the Americas, as well as through major distributors, system integrators, and VARs..
