Key Features and Benefits

- Distributes HDMI signals from one source to four HDMI displays without losing quality
- HDMI 1.3b compatible & HDCP compliant
- Resolution: up to 1080p @ 12-bit color depth

Package Contents

- HDMI 4-Port Splitter
- Power adapter
- Quick installation guide

Layout

Figure 1: Front Panel Layout

- **Power LED:** This LED will be lit when the HDMI splitter is powered on
- **HDMI In LED:** This LED will be lit when the HDMI source is properly detected by the HDMI splitter (This device needs to be powered on to get detected)
- **HDMI Out LED:** This LED will be lit when an HDMI display is properly detected by the corresponding **HDMI Output** port (The display(s) need to be powered on to get detected)

Figure 2: Rear Panel Layout

- **Power Switch:** Powers on/off the HDMI splitter
- **Power Jack:** Connects to the included power adapter
- **HDMI Input Port:** Connect the HDMI source device here. When the HDMI source is properly detected, the **HDMI In LED** (located on the front panel) will be lit
- **HDMI Output Ports:** Connect up to 4 HDMI displays to these ports

Hardware Installation

1. Connect the HDMI source to the splitter's **HDMI Input Port** using an HDMI cable (not included).
2. Connect your HDMI displays to the splitter's **HDMI Output Ports** using HDMI cables (not included).
3. Plug the power adapter into the splitter's **Power Jack**.
4. Plug the power adapter into a reliable power outlet.
5. Power on the *HDMI 4-Port Splitter*, and ensure that the **Power LED** is lit.
6. Power on all Audio/Video units connected to the splitter. Ensure that all LEDs are properly lit.
7. The *HDMI 4-Port Splitter* is ready for use.

Technical Support and Warranty

QUESTIONS? SIIG's **Online Support** has answers! Simply visit our web site at www.siig.com and click **Support**. Our online support database is updated daily with new drivers and solutions. Answers to your questions could be just a few clicks away. You can also submit questions online and a technical support analyst will promptly respond.

SIIG offers a 3-year manufacturer warranty with this product. This warranty covers the original purchaser and guarantees the product to be free of any defects in materials or workmanship for three (3) years from the date of purchase of the product.

SIIG will, at our discretion, repair or replace (with an identical product or product having similar features and functionality) the product if defective in materials or workmanship. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Please see our web site for more warranty details.

If you encounter any problems with this product, please follow the procedures below.

A) If it is within the store's return policy period, please return the product to the store where you purchased from.

B) If your purchase has passed the store's return policy period, please follow the steps below to have the product repaired or replaced.

Step 1: Submit your RMA request.

Go to www.siig.com, click **Support**, then **Request a Product Replacement** to submit a request to [SIIG RMA](#) or fax a request to 510-657-5962. Your RMA request will be processed, if the product is determined to be defective, an RMA number will be issued.

Step 2: After obtaining an RMA number, ship the product.

- Properly pack the product for shipping. All accessories that came with the original package must be included.
- Clearly write your RMA number on the top of the returned package. SIIG will refuse to accept any shipping package, and will not be responsible for a product returned without an RMA number posted on the outside of the shipping carton.
- You are responsible for the cost of shipping to SIIG. Ship the product to the following address:

SIIG, Inc.

6078 Stewart Avenue

Fremont, CA 94538-3152, USA

RMA #: _____

- SIIG will ship the repaired or replaced product via Ground in the U.S. and International Economy outside of the U.S. at no cost to the customer.

About SIIG, Inc.

Founded in 1985, SIIG, Inc. is a leading manufacturer of IT connectivity solutions (including Serial ATA and Ultra ATA Controllers, FireWire, USB, and legacy I/O adapters) that bridge the connection between Desktop/Notebook systems and external peripherals. SIIG continues to grow by adding A/V and Digital Signage connectivity solutions to our extensive portfolio.

SIIG products offer comprehensive user manuals, many user-friendly features, and are backed by an extensive manufacturer warranty. High quality control standards are evident by the overall ease of installation and compatibility of our products, as well as one of the lowest defective return rates in the industry. SIIG products can be found in computer retail stores, mail order catalogs, through major distributors, system integrators, and VARs in the Americas and the UK, and through e-commerce sites.
