Note: To daisy chain, connect the MONITOR port of the first splitter to the PC port of the next splitter.

Hardware Installation

1. Power off the computer and monitors you plan to connect to this splitter.
2. Connect your computer's VGA out to the splitter's PC port using a VGA cable (not included).
3. Connect the computer's audio out jack to the splitter's Audio IN jack (optional) with a 3.5mm audio cable (not included).
4. Connect your VGA monitors to the splitter's MONITOR ports using VGA cables (not included).
5. Connect the speakers to the splitter's 3.5mm audio OUT jacks (optional).
6. Plug the power adapter into the splitter power jack, then plug the power adapter into a reliable power source.
7. Switch on the power, and power on all devices.
8. The 1x4 VGA Splitter with Audio is now ready to use.

Technical Support and Warranty

QUESTIONS? SIIG's **Online Support** has answers! Simply visit our web site at *www.siig.com* and click **Support**. Our online support database is updated daily with new drivers and solutions. Answers to your questions could be just a few clicks away. You can also submit questions online and a technical support analyst will promptly respond.

SIIG offers a 3-year manufacturer warranty with this product. This warranty covers the original purchaser and guarantees the product to be free of any defects in materials or workmanship for three (3) years from the date of purchase of the product.

SIIG will, at our discretion, repair or replace (with an identical product or product having similar features and functionality) the product if defective in materials or workmanship. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Please see our web site for more warranty details.

If you encounter any problems with this product, please follow the procedures below.

A) If it is within the store's return policy period, please return the product to the store where you purchased from.

B) If your purchase has passed the store's return policy period, please follow the steps below to have the product repaired or replaced

> **Step 1**: Submit your RMA request.
>
> Go to **www.siig.com**, click **Support** then click **REQUEST A PRODUCT REPLACEMENT**, then RMA to submit a request to **SIIG RMA** or fax a request to 510-657-5962. Your RMA request will be processed, if the product is determined to be defective, an RMA number will be issued.

Step 2: After obtaining an RMA number, ship the product.

- Properly pack the product for shipping.   All software, cable(s) and any other accessories that came with the original package must be included.

- Clearly write your RMA number on the top of the returned package. SIIG will refuse to accept any shipping package, and will not be responsible for a product returned without an RMA number posted on the outside of the shipping carton.

- You are responsible for the cost of shipping to SIIG.   Ship the product to the following address:

  SIIG, Inc.
  6078 Stewart Avenue
  Fremont, CA 94538-3152, USA
  RMA #_____

- SIIG will ship the repaired or replaced product via Ground in the U.S. and International Economy outside of the U.S. at no cost to the customer

About SIIG, Inc.

Founded in 1985, SIIG, Inc. is a leading manufacturer of IT connectivity solutions (including Serial ATA and Ultra ATA Controllers, FireWire, USB, and legacy I/O adapters) that bridge the connection between Desktop/ Notebook systems and external peripherals.   SIIG continues to grow by adding A/V and Digital Signage connectivity solutions to our extensive portfolio.   All centered around the distribution and switching of A/V signals over CAT5/6, these products include matrix switches, distribution amplifiers, extenders, converters, splitters, cabling, and more.

SIIG is the premier one-stop source of upgrades and is committed to providing high quality products while keeping economical and competitive prices.   High-quality control standards are evident by one of the lowest defective return rates in the industry.   Our products offer comprehensive user manuals, user-friendly features, and most products are backed by a lifetime warranty.

SIIG products can be found in many computer retail stores, mail order catalogs, and e-commerce sites in the Americas, as well as through major distributors, system integrators, and VARs.
