Installation

1. Power off your system if it is on.
2. Connect the PS/2 keyboard and/ or mouse to the appropriate PS/2 connector.
3. Connect the USB connector to your system's USB port and power on your system.

Windows 8 / 7 / Vista / XP / Server 2003 & 2008 / Server 2008 R2 / 2000 / ME

The drivers are built-in with Windows 8, 7, Vista, XP, Server 2003 & 2008, Server 2008 R2, 2000, ME. Simply connect the *USB-to-PS/2 Adapter* to an available USB port and the drivers will install automatically.

Give Windows a few seconds to completely load all drivers.

Windows 98/98SE

1. At the **Add New Hardware Wizard**, click **Next**.
2. Choose **Search for the best driver...** and click **Next**.
3. Clear all check boxes and click **Next**.
4. Click **Next** and **Finish**.
5. **In Windows 98**, repeat steps 1-4 two more times.
In Windows 98SE, repeat steps 1-4 one more time.

To Verify Windows Installation

1. Check **Device Manager** to verify successful driver installation.

Windows 8 / 7 / XP / Server 2003 / 2000: Right click **Computer** or **My Computer**, click **Manage**, then click **Device Manager**.

Windows Vista: Right click **Computer**, click **Manage**, click **Continue**, then click **Device Manager**.

Windows Server 2008 / 2008 R2: Right click **My Computer**, then click **Manage**, double click **Diagnostics**. Click **Device Manager**.

Windows ME / 98SE / 98: From the main desktop, right click **My Computer**, click **Properties**, then click **Device Manager**.

2. Double click **USB Serial Bus controllers**, **USB Composite Device** should be displayed.

Technical Support and Warranty

QUESTIONS? SIIG's **Online Support** has answers! Simply visit our web site at www.siig.com and click **Support**. Our online support database is updated daily with new drivers and solutions. Answers to your questions could be just a few clicks away. You can also submit questions online and a technical support analyst will promptly respond.

SIIG offers a 5-year manufacturer warranty with this product. This warranty covers the original purchaser and guarantees the product to be free of any defects in materials or workmanship for five (5) years from the date of purchase of the product.

SIIG will, at our discretion, repair or replace (with an identical product or product having similar features and functionality) the product if defective in materials or workmanship. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Please see our web site for more warranty details.

If you encounter any problems with this product, please follow the procedures below.

- A) If it is within the store's return policy period, please return the product to the store where you purchased from.
- B) If your purchase has passed the store's return policy period, please follow the steps below to have the product repaired or replaced.

Step 1: Submit your RMA request.

Go to www.siig.com, click **Support**, then **REQUEST A PRODUCT REPLACEMENT** to submit a request to [SIIG RMA](#) or fax a request to 510-657-5962. Your RMA request will be processed, if the product is determined to be defective, an RMA number will be issued.

Step 2: After obtaining an RMA number, ship the product.

- Properly pack the product for shipping. All accessories that came with the original package must be included.
- Clearly write your RMA number on the top of the returned package. SIIG will refuse to accept any shipping package, and will not be responsible for a product returned without an RMA number posted on the outside of the shipping carton.
- You are responsible for the cost of shipping to SIIG. Ship the product to the following address:

SIIG, Inc.

6078 Stewart Avenue

Fremont, CA 94538-3152, USA

RMA #: _____

- SIIG will ship the repaired or replaced product via Ground in the U.S. and International Economy outside of the U.S. at no cost to the customer.

About SIIG, Inc.

Founded in 1985, SIIG, Inc. is a leading manufacturer of IT connectivity solutions (including Serial ATA and Ultra ATA Controllers, FireWire, USB, and legacy I/O adapters) that bridge the connection between Desktop/ Notebook systems and external peripherals. SIIG continues to grow by adding A/V and Digital Signage connectivity solutions to our extensive portfolio. SIIG products offer comprehensive user manuals, many user-friendly features, and are backed by an extensive manufacturer warranty. High quality control standards are evident by the overall ease of installation and compatibility of our products, as well as one of the lowest defective return rates in the industry. SIIG products can be found in computer retail stores, mail order catalogs, through major distributors, system integrators, and VARs in the Americas and the UK, and through e-commerce sites.
