Using an External Hard Drive

The included **Micro USB Cable** supplies extra power to external hard drives when needed. Please disconnect your external hard drive from the *Micro USB Connectivity Adapter for Galaxy* before connecting the **Micro USB Cable**.

1. Connect the included **Micro USB Cable** between the *Micro USB Connectivity Adapter for Galaxy's* **Micro USB Port** and any USB wall charger or computer's USB port.

2. Connect your external hard drive to the *Micro USB Connectivity Adapter for Galaxy's* **USB Type A** connector.

3. Connect the *Micro USB Connectivity Adapter for Galaxy's* **Micro USB Connector** to the Galaxy device's **Micro USB** connector. The green LED will light up.

4. The Galaxy device will recognize the external hard drive and read the files automatically. The files will be located in **/My files/.../UsbDriveA**. **Note**: The path may vary according to the OS version installed.

5. Select the file(s) that you want. Either click on the filename to view or select the specific files and then choose the desired operation (**Send Via**, **Copy**, **Cut**, **Delete**, or **Rename/Details**).

Warning: The *Micro USB Connectivity Adapter for Galaxy* only supports **ONE** device connection at any one time. Inserting more than one device is not supported.

Figure 4: Connecting External Hard Drive

Using a USB Keyboard and Mouse

1. Connect your USB keyboard or mouse to the *Micro USB Connectivity Adapter for Galaxy's* **USB Type A** connector.
2. Connect the *Micro USB Connectivity Adapter for Galaxy's* **Micro USB Connector** to the Galaxy device's **Micro USB** connector. The green LED will light up.
3. Your keyboard or mouse is ready to use.

Warning: The *Micro USB Connectivity Adapter for Galaxy* only supports **ONE** device connection at any one time. Inserting more than one device is not supported.

Technical Support and Warranty

SIIG offers a 1-year manufacturer warranty with this product. This warranty covers the original purchaser and guarantees the product to be free of any defects in materials or workmanship for one (1) year from the date of purchase of the product. Please see our web site for more warranty details.

If you encounter any problems with this product, please follow the procedures below. If your purchase has passed the store's return policy period, please follow the steps below to have the product repaired or replaced.

Step 1: Submit your RMA request.

Go to **www.siig.com**, click **Support**, then **REQUEST A PRODUCT REPLACEMENT** to submit a request to SIIG RMA or fax a request to 510-657-5962. Your RMA request will be processed, if the product is determined to be defective, an RMA number will be issued.

Step 2: After obtaining an RMA number, ship the product. Properly pack the product for shipping. All accessories that came with the original package must be included.Clearly write your RMA number on the top of the returned package. SIIG will refuse to accept any shipping package, and will not be responsible for a product returned without an RMA number posted on the outside of the shipping carton. You are responsible for the cost of shipping to SIIG. Ship the product to the following address:

SIIG, Inc. 6078 Stewart Avenue Fremont, CA 94538-3152, USA
RMA #: _____

SIIG will ship the repaired or replaced product via Ground in the U.S. and International Economy outside of the U.S. at no cost to the customer.
