## Instructions for Use

---

### Charging the Power Bank

**Note:** Fully charge the *Power Bank* before use. Please use the included **USB charging cable** to charge the *Power Bank*.

1. Plug the **Micro USB** tip of included **USB charging cable** into the *Power Bank's* **Power-in** port. Then plug the other end of the included **USB charging cable** into either a USB port of your computer or your USB wall charger. See Figure 3.

**Figure 3**

2. The *Power Bank's* LED indicator will light up to indicate the charging process has begun.

- When the *Power Bank* is fully charged, all the four LED indicators will be lit and go off automatically. It takes approximately 5-6 hours to fully charge the *Power Bank*. The actual charging time will vary depending on the *Power Bank*'s charge status and/or the external power source's power output.

## Charging Portable Devices

**Note:** It is recommended to use the portable device's original equipment USB charging cable to charge it.

- Plug the USB Type A tip of your portable device's USB charging cable into the *Power Bank*'s **Power-out** port, then connect the other end of the charging cable into the portable device. See Figure 4.

**Figure 4**

- Quickly press the *Power Bank*'s **On/Off button** twice to start charging your portable device.

## Using the USB Light

1. Insert the USB Light's **USB connector** into the *Power Bank's Power-out* port.
2. Quickly press the *Power Bank's On/Off button* twice to turn on the USB light. Press the button twice again to turn off the USB light.

**IMPORTANT:** Please avoid pointing the LED light directly into the eyes.

Figure 5

## Trouble Shooting Tips

---

- Due to the Power Bank's limited battery capacity, it is not recommended to use with Tablet devices.
- The Power Bank's protection circuit may be triggered due to improper cable connection or device connection. To reset the circuit, simply repeat the battery charging process (see page 4, steps 1 & 2) for a few minutes and the unit will return to normal operating mode.

# Technical Support and Warranty

---

**QUESTIONS?** SIIG's **Online Support** has answers! Simply visit our web site at [www.siig.com](http://www.siig.com) and click **Support**. Our online support database is updated daily with new drivers and solutions. Answers to your questions could be just a few clicks away. You can also submit questions online and a technical support analyst will promptly respond.

SIIG offers a 2-year manufacturer warranty with this product. This warranty covers the original purchaser and guarantees the product to be free of any defects in materials or workmanship for two (2) years from the date of purchase of the product.

SIIG will, at our discretion, repair or replace (with an identical product or product having similar features and functionality) the product if defective in materials or workmanship. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Please see our web site for more warranty details.

If you encounter any problems with this product, please follow the procedures below.

A) If it is within the store's return policy period, please return the product to the store where you purchased from.

B) If your purchase has passed the store's return policy period, please follow the steps below to have the product repaired or replaced.

**Step 1:** Submit your RMA request.

Go to [www.siig.com](http://www.siig.com), click **Support**, then **REQUEST A PRODUCT REPLACEMENT** to submit a request to [SIIG RMA](#) or fax a request to 510-657-5962. Your RMA request will be processed, if the product is determined to be defective, an RMA number will be issued.

**Step 2:** After obtaining an RMA number, ship the product.

- Properly pack the product for shipping. All accessories that came with the original package must be included.
- Clearly write your RMA number on the top of the returned package. SIIG will refuse to accept any shipping package, and will not be responsible for a product returned without an RMA number posted on the outside of the shipping carton.
- You are responsible for the cost of shipping to SIIG. Ship the product to the following address:

**SIIG, Inc.**

**6078 Stewart Avenue**

**Fremont, CA 94538-3152, USA**

**RMA #:** \_\_\_\_\_

- SIIG will ship the repaired or replaced product via Ground in the U.S. and International Economy outside of the U.S. at no cost to the customer.

## About SIIG, Inc.

---

Founded in 1985, SIIG, Inc. is a leading manufacturer of IT connectivity solutions (including Serial ATA and Ultra ATA Controllers, FireWire, USB, and legacy I/O adapters) that bridge the connection between Desktop/ Notebook systems and external peripherals. SIIG continues to grow by adding A/V and Digital Signage connectivity solutions to our extensive portfolio. SIIG products offer comprehensive user manuals, many user-friendly features, and are backed by an extensive manufacturer warranty. High quality control standards are evident by the overall ease of installation and compatibility of our products, as well as one of the lowest defective return rates in the industry. SIIG products can be found in computer retail stores, mail order catalogs, through major distributors, system integrators, and VARs in the Americas and the UK, and through e-commerce sites.
