Important: Never point a laser beam into a person`s eyes or view directly.

Using the Wireless Presenter

1. Open the cover of battery compartment and insert two AAA batteries. **Note:** Make sure the positive (+) and negative (-) ends of the battery match indicators inside the battery compartment.
2. Pull out the USB receiver from the storage compartment at bottom of presenter unit, reference to Figure 2. Then insert it into an available USB port of your computer. Your computer will identify the receiver automatically.

* No software installation required

3. The *Presenter* is ready to use now.

Note: When plug the USB receiver back into the storage compartment, the power of presenter unit will automatic turn off to prolong the battery life.

Trouble Shooting

1. What do I do if the presenter doesn`t work properly?

3

- Make sure the distance from the presenter to the receiver is within 33 ft.
- Check whether the batteies match the corresponding indicators.
- Check the remaining battery power.
- Unplug and plug the USB receiver into the USB port of your computer. If still doesn`t work, restart your computer.

Notice

- **Never** point the presenter`s laser beam at people`s eyes or view directly.
- Avoid pointing the presenter`s laser beam at a mirror or highly-reflective surface.
- Avoid serious impact or drop which may physically damage to the unit.
- **DO NOT** attempt to disassemble and service the presenter.
- Keep the presenter away from children.

Technical Support and Warranty

QUESTIONS? SIIG`s Online Support has answers! Simply visit our web site at www.siig.com and click **Support**. Our online support database is updated daily with new drivers and solutions. Answers to your questions could be just a few clicks away. You can also submit questions online and a technical support analyst will promptly respond.

SIIG offers a 2-year manufacturer warranty with this product. This warranty covers the original purchaser and guarantees the product to be free of any defects in materials or workmanship for two (2) years from the date of purchase of the product.

SIIG will, at our discretion, repair or replace (with an identical product or product having similar features and functionality) the product if defective in materials or workmanship. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Please see our web site for more warranty details.

If you encounter any problems with this product, please follow the procedures below.

A) If it is within the store`s return policy period, please return the product to the store where you purchased from.

B) If your purchase has passed the store`s return policy period, please follow the steps below to have the product repaired or replaced.

Step 1: Submit your RMA request.

Go to www.siig.com, click **Support**, then **REQUEST A PRODUCT REPLACEMENT** to submit a request to **SIIG RMA** or fax a request to 510-657-5962. Your RMA request will be processed, if the product is determined to be defective, an RMA number will be issued.

Step 2: After obtaining an RMA number, ship the product.

- Properly pack the product for shipping. All accessories that came with the original package must be included.
- Clearly write your RMA number on the top of the returned package. SIIG will refuse to accept any shipping package, and will not be responsible for a product returned without an RMA number posted on the outside of the shipping carton.
- You are responsible for the cost of shipping to SIIG. Ship the product to the following address:
SIIG, Inc.
31038 Huntwood Ave
Hayward, CA 94544, USA
RMA #:
- SIIG will ship the repaired or replaced product via Ground in the U.S. and International Economy outside of the U.S. at no cost to the customer.

About SIIG, Inc.

Founded in 1985, SIIG, Inc. is a leading manufacturer of IT connectivity solutions (including Serial ATA and Ultra ATA Controllers, FireWire, USB, and legacy I/O adapters) that bridge the connection between Desktop/Notebook systems and external peripherals. SIIG continues to grow by adding A/V and Digital Signage connectivity solutions to our extensive portfolio.

SIIG products offer comprehensive user manuals, many user-friendly features, and are backed by an extensive manufacturer warranty. High quality control standards are evident by the overall ease of installation and compatibility of our products, as well as one of the lowest defective return rates in the industry. SIIG products can be found in computer retail stores, mail order catalogs, through major distributors, system integrators, and VARs in the Americas and the UK, and through e-commerce sites.
