Product Layout

Figure 1: USB 3.1 Gen 1 to 6Gb/s SATA Adapter - Type-C

- **USB Type-C:** Connects to an available USB Type-C port of your computer
- **SATA Connector:** Connects to a 2.5" SATA HDD/SSD
- **Power / Activity LED:** Illuminates when the Adapter is powered on (plugged into a USB port); flashes during data transfer

2

Hardware Installation

Static Electricity Discharge may permanently damage your system. Discharge any static electricity build up in your body by touching your computer case for a few seconds. Hard drives should be handled carefully, otherwise you may experience data loss.

Note: The USB 3.1 Gen 1 to 6Gb/s SATA Adapter - Type-C only works with 2.5" HDDs or SSDs.

1. Connect your 2.5" HDD or SSD to the SATA connector of the Adapter.
2. Connect the USB Type-C connector of the Adapter to your computer's USB Type-C port, and verify the Power / Activity LED is ON.
3. The Adapter ready for use.

Driver Installation

After the USB 3.1 Gen 1 to 6Gb/s SATA Adapter - Type-C is connected to the computer, the Windows / Mac system will automatically detect and install the correct drivers for it. No additional driver installation is needed.

3

To Verify Windows Installation

1. Right click **This PC, Computer** or **My Computer** on the Desktop, then click **Manage**.
2. Select **Device Manager** then expand **Disk Drives** and **Universal Serial Bus Controllers**.
3. [Name and/or model number of HDD/SSD] and **USB Mass Storage Device** should be displayed.

Disconnecting the drive (Windows only)

Note: Please wait for data transfer to complete and the Power / Activity LED to stop flashing before disconnecting the Adapter from the computer.

1. In the system tray on the Desktop, click **Safely Remove Hardware and Eject Media**. (If hidden, click  to bring it up.)
2. Click the device you are going to remove in the list.
3. A pop-up message indicates that it is safe to remove the device, then disconnect the Adapter from the computer.

4

Application

Easily adds external 2.5" SATA disk storage through a USB Type-C port.

Technical Support and Warranty

QUESTIONS? SIIG's **Online Support** has answers! Simply visit our web site at www.siig.com and click **Support**. Our online support database is updated daily with new drivers and solutions. Answers to your questions could be just a few clicks away. You can also submit questions online and a technical support analyst will promptly respond.

SIIG offers a 2-year manufacturer warranty with this product. This warranty covers the original purchaser and guarantees the product to be free of any defects in materials or workmanship for two (2) years from the date of purchase of the product.

SIIG will, at our discretion, repair or replace (with an identical product or product having similar features and functionality) the product if defective in materials or workmanship. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Please see our web site for more warranty details.

If you encounter any problems with this product, please follow the procedures below.

A) If it is within the store's return policy period, please return the product to the store where you purchased from.

B) If your purchase has passed the store's return policy period, please follow the steps below to have the product repaired or replaced.

Step 1: Submit your RMA request.

Go to www.siig.com, click **Support**, then **REQUEST A PRODUCT REPLACEMENT** to submit a request to SIIG.RMA or fax a request to 510-657-5962. Your RMA request will be processed, if the product is determined to be defective, an RMA number will be issued.

Step 2: After obtaining an RMA number, ship the product.

- Properly pack the product for shipping. All accessories that came with the original package must be included.
- Clearly write your RMA number on the top of the returned package. SIIG will refuse to accept any shipping package, and will not be responsible for a product returned without an RMA number posted on the outside of the shipping carton.
- You are responsible for the cost of shipping to SIIG. Ship the product to the following address:
SIIG, Inc.
6078 Stewart Avenue
Fremont, CA 94538-3152, USA
RMA #:
- SIIG will ship the repaired or replaced product via Ground in the U.S. and International Economy outside of the U.S. at no cost to the customer.

About SIIG, Inc.

Founded in 1985, SIIG, Inc. is a leading manufacturer of IT connectivity solutions (including Serial ATA and Ultra ATA Controllers, FireWire, USB, and legacy I/O adapters) that bridge the connection between Desktop/Notebook systems and external peripherals. SIIG continues to grow by adding A/V and Digital Signage connectivity solutions to our extensive portfolio.

SIIG products offer comprehensive user manuals, many user-friendly features, and are backed by an extensive manufacturer warranty. High quality control standards are evident by the overall ease of installation and compatibility of our products, as well as one of the lowest defective return rates in the industry. SIIG products can be found in computer retail stores, mail order catalogs, through major distributors, system integrators, and VARs in the Americas and the UK, and through e-commerce sites.
