Windows 8 (32-/64-bit)

1. Boot up Windows. At the Windows desktop insert the software CD.
2. Double click **My Computer**, double click your **CD/DVD drive**, a Main Menu will pop up.
3. Click **Install Driver**.
4. At the User Account Control, click **Yes**.
5. Choose your **Language**, then click **Next**.
6. At Ready to install, click **Install**
7. At Windows Security, click **Install**.
8. At Install Shield Wizard Complete, click **Finish**.
9. Back to Main Menu. Click **Install Applications**
10. At the User Account Control, click **Yes**.
11. Select your **Language**, then click **Next**.
12. At the **Welcome** screen, click **Next**.

13. Check **I accept the terms of the license agreement**, then click **Next**.
14. At **Choose the Destination Location**, click **Next**.
15. At **Select Program Folder**, click **Next**.
16. At **Ready to Install the Program**, click **Install**.
17. Click **Next**, then click **Install**.
18. Click **Finish**, **Finish** to complete the installation.

Note: Disable sleep and hibernation modes when recording or capturing.

19. Insert the *USB 2.0 Video Capture Device* into an available USB port and the driver will install automatically.

Windows 7 (32-/64-bit) / Vista (32-/64-bit)

1. Boot up Windows. At the Windows desktop insert the software CD.
At the AutoPlay box: Double click **Run AUTORUN.EXE**.

If the AutoPlay box doesn't start: Click **Start**, in **Start Search**, type **D:\autorun.exe**, then press **Enter**. (Change **D:** to match your CD/DVD-ROM drive letter)

2. Click **Install Driver**.
3. At the User Account Control, click **Yes** or **Allow**.
4. Choose your **Language**, then click **Next**.
5. At Ready to install, click **Install**
6. At Windows Security, click **Install**.
7. At Install Shield Wizard Complete, click **Finish**.
8. Click **Install Applications** in the main menu.
9. At the User Account Control, click **Yes** or **Allow**.
10. Select your **Language**, then click **Next**.
11. At the **Welcome** screen, click **Next**.
12. Check **I accept the terms of the license agreement**, then click **Next**.
13. At **Choose the Destination Location**, click **Next**.

14. At **Select Program Folder**, click **Next**.
15. At **Ready to Install the Program**, click **Install**.
16. Click **Next**, then click **Install**.
17. Click **Finish**, **Finish** to complete the installation.

Note: Disable sleep and hibernation modes when recording or capturing.

18. Insert the *USB 2.0 Video Capture Device* into an available USB port and the driver will install automatically.

Windows XP (32-bit)

1. Boot up Windows. Insert the *USB 2.0 Video Capture Device* into an available USB port.
2. At the **Found New Hardware Wizard**.
For XP SP2 or later: Click **No, not this time**, then click **Next**.
For XP SP1 or earlier: Go directly to step 3.

3. Check **Install from a list or specific location**, click **Next**. Insert the software CD.
4. Check **Include this location in the search**, uncheck the other box, type in **D:\driver\WinXP32**, then click **Next**. (Change **D:** to match your CD-ROM drive letter)
5. Click **Continue Anyway**, then click **Finish**.
6. Repeat steps 2-5.
7. Click **Install Applications** in the main menu.
8. Select your **language**, then click **Next**.
9. At the **Welcome** screen, click **Next**.
10. Check **I accept the terms of the license agreement**, then click **Next**.
11. At **Choose the Destination Location**, click **Next**.
12. At **Select Program Folder**, click **Next**.
13. At **Ready to Install the Program**, click **Install**.

14. At **Windows Media Format 9 Series Runtime Setup**, click **Yes**, click **Yes** again, then click **OK**. Skip this step and go directly to step 16 if not prompted.
15. Click **Next**, then click **Install**.
16. Click **Finish**, **Finish** to complete the installation.

Note: Disable sleep and hibernation modes when recording or capturing.

Windows XP (64-bit)

Technical Support and Warranty

QUESTIONS? SIIG's **Online Support** has answers! Simply visit our web site at www.siig.com and click **Support**. Our online support database is updated daily with new drivers and solutions. Answers to your questions could be just a few clicks away. You can also submit questions online and a technical support analysts will promptly respond.

SIIG offers a 2-year manufacturer warranty with this product. This warranty covers the original purchaser and guarantees the product to be free of any defects in materials or workmanship for two (2) years from the date of purchase of the product.

SIIG will, at our discretion, repair or replace (with an identical product or product having similar features and functionality) the product if defective in materials or workmanship. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Please see our web site for more warranty details.

If you encounter any problems with this product, please follow the procedures below.

- A) If it is within the store's return policy period, please return the product to the store where you purchased from.
- B) If your purchase has passed the store's return policy period, please follow the steps below to have the product repaired or replaced.

Step 1: Submit your RMA request.

Go to www.siig.com, click **Support**, then **RMA** to submit a request to [SIIG RMA](#) or fax a request to 510-657-5962. Your RMA request will be processed, if the product is determined to be defective, an RMA number will be issued.

Step 2: After obtaining an RMA number, ship the product.

- Properly pack the product for shipping. All accessories that came with the original package must be included.
- Clearly write your RMA number on the top of the returned package. SIIG will refuse to accept any shipping package, and will not be responsible for a product returned without an RMA number posted on the outside of the shipping carton.
- You are responsible for the cost of shipping to SIIG. Ship the product to the following address:
SIIG, Inc.
6078 Stewart Avenue
Fremont, CA 94538-3152, USA
RMA #: _____
- SIIG will ship the repaired or replaced product via Ground in the U.S. and International Economy outside of the U.S. at no cost to the customer.

About SIIG, Inc.

Founded in 1985, SIIG, Inc. is a leading manufacturer of IT connectivity solutions (including Serial ATA and Ultra ATA Controllers, FireWire, USB, and legacy I/O adapters) that bridge the connection between Desktop/ Notebook systems and external peripherals. SIIG continues to grow by adding A/V and Digital Signage connectivity solutions to our extensive portfolio. SIIG products offer comprehensive user manuals, many user-friendly features, and are backed by an extensive manufacturer warranty. High quality control standards are evident by the overall ease of installation and compatibility of our products, as well as one of the lowest defective return rates in the industry. SIIG products can be found in computer retail stores, mail order catalogs, through major distributors, system integrators, and VARs in the Americas and the UK, and through e-commerce sites.
